## The Upcoming ANA Show in Denver

The ANA's World's Fair of Money (which we call the ANA Annual Convention) will be held in Denver August 1 - 5, 2017. I won't have a table at Denver for the reasons outlined in my February newsletter. But I will be happy to bring coins along that you might want to examine, and possibly purchase, at the show. To set this up, you will have to contact me to let me know what those coins are. To contact me at the show, the easiest way is to text me at 717-579-8238. Please note that I will be at the show August 1 - 3 only, and since I will not have a table, the number of coins I will have will be limited.

## And, now for the News

Now, on to the news! I acquired five really great coins:

1. An 1820 STATESOFAMERICA dime in PCGS XF-45 with very nice, but not overpowering, color. It is difficult to find this coin in this high grade with nice color.

2. An 1806 B-8 quarter in PCGS Fine details, scratched. It is a really nice example of this R6 rarity, and is the 4th such coin I have handled. Its price is just slightly above what a cleaned AG sold for at Heritage last year.

3. An 1859 half dollar in PCGS PR-64 with wonderful toning on both sides.

4. The most outstanding Roanoke half I have ever seen. It is a PCGS MS-67 with a CAC sticker with fabulous toning, which is more red in person than in my photo.

5. The only 1912 Matte Proof Lincoln cent graded PR-67BN by PCGS. It has wonderful color and would fit into the finest set of matte proof Lincoln cents.

I also have the new 5th edition of *The Ultimate Guide to Attributing Capped Bust Half Dollars* by Glenn Peterson, and a very unusual item: a 45 record (yes, most of you remember what a 45 record is) entitled "Our Love Is Rarer Than A 1909-S.V.D.B. Cent". I have several of each of these two items.
